The purpose of the Memorandum of Understanding is to make you aware of some of the highlights, restrictions and costs of your plan. It is not intended to cover all aspects of the plan and should not be relied upon in making decisions about plan benefits.

I understand and acknowledge the following:

1. The maximum annual contribution amount to all 457(b) plans is the lesser of the maximum annual 457(b) contribution limit or 100% of my includible compensation. This amount may be adjusted annually. If you have questions about the maximum contributions limits they can be found at [irs.gov](http://irs.gov). Under certain circumstances, additional amounts above the limit may be contributed to the Plan if (1) I will attain age 50 or older during the current calendar year, or (2) I am within three years of the Plan's Normal Retirement Age and did not contribute the maximum amount to the 457(b) Plan in prior years. The Plan Document provides additional details about contribution limits. Contributions in excess of maximum amounts are not permitted and will be reported as taxable income when refunded. It is my responsibility to ensure my contributions to all 457(b) plans in which I participate regardless of employer do not exceed the annual limit.
2. It is my responsibility to adjust my contribution amount to comply with applicable limits. Excess deferrals will be returned to me and reported on IRS tax Form 1099-R. I acknowledge that it is my responsibility to make sure my total contributions fall within the specified limits. A Nationwide Retirement Solutions, Inc. ("NRS") representative can provide assistance in determining my contribution limits.
3. I may withdraw funds from the Plan only upon separation from service; at age 70½; upon an unforeseeable emergency approved by the Plan; when taking a loan or, I may take a one-time in service withdrawal if my account value is \$5,000 or less (as adjusted) and I have not contributed to the Plan for two or more years. In some cases, withdrawal for purchase or repayment of service credits in a Governmental Defined Benefit Plan may be permitted. Additionally, funds may be withdrawn upon my death. All withdrawals of funds must be in compliance with the Internal Revenue Code (the "Code") and applicable regulations as expressed in the Plan Document.
4. Contributions, in the form of salary reductions, will be made until I notify NRS or my Plan Sponsor otherwise. Once notification is received salary reductions will be changed as soon as administratively feasible.
5. Contributions will be invested as soon as administratively feasible upon receipt from the Plan Sponsor.
6. My participation in the Plan is governed by the terms and conditions of the Plan Document. Fund prospectuses are available upon request at [sanjoaquindc.com](http://sanjoaquindc.com) or by calling 877-677-3678.
7. My distributions must begin no later than the April 1<sup>st</sup> following the later of the year I reach age 72 or have a severance from employment. Please consult the Plan Document for further details. Generally, all pre-tax distributions are taxable as ordinary income and subject to income tax in the year received. My distributions must be made in a manner that satisfies the minimum distribution requirements of the Code section 401(a)(9), which currently requires benefits to be paid at least annually over a period not to extend beyond my life expectancy. Failure to meet minimum distribution requirements may result in my being subject to a 50% federal excise tax.
8. The funds in my accounts may be eligible for rollover to a traditional or Roth IRA or to another eligible retirement plan. The "Special Tax Notice Regarding Plan Payments" provides detailed information about my options. Due to important tax consequences related to distributions, I have been advised to consult a tax advisor. I expressly assume the responsibility for tax consequences relating to any distribution, and I agree that neither the Plan nor the Administrative Services Provider shall be responsible for those tax consequences.
9. All amounts contributed to the Plan and earnings on the amounts contributed are held in a trust, custodial account or annuity contract for the exclusive benefit of the participants and their beneficiaries.
10. Underlying investment options may be periodically changed or restricted.
11. NRS will permit participants and beneficiaries to exchange amounts among the Variable and Fixed investment options as frequently as permitted by the Plan, subject to the limits and rules set by each Fund and the Contract. Changes may be made by calling 877-677-3678 or logging on to [sanjoaquindc.com](http://sanjoaquindc.com). Options for investments may vary by the source of the money invested.
12. If I select an investment option that is closed or unavailable, or I elect a total investment allocation percentage that is less than 100%, I agree that the money will be placed into the T.Rowe Price Retirement Fund closest to my anticipated retirement age, based upon my date of birth and a normal retirement age of 62, which is the default investment option. If I elect a total investment allocation percentage greater than 100%, I agree that my application will be rejected and my selections will not be processed.
13. The Plan may have investment management fees, depending on the mutual funds in which I invest. For more information, please call 877-677-3678.
14. Any beneficiary designation I made on this form will supersede any prior beneficiary designation and shall become effective on the date accepted by the Plan, provided that this designation is accepted by the Plan prior to my death. Further, that any benefits payable at my death shall be paid in substantially equal shares to my beneficiaries unless I specify otherwise. My death benefits will be paid first to my Primary beneficiaries. If any of my Primary beneficiaries predecease me, then my death benefits will be paid to the remaining Primary beneficiaries. Contingent beneficiaries will only receive benefits if no Primary beneficiary survives me. If no beneficiary designation is on file, benefits will be paid as set forth in the Plan Document.
15. I must notify NRS of any beneficiary changes, address/contact information changes, contribution changes, allocation changes or errors on my account statement.
16. I will receive a statement of my account quarterly.
17. All telephone exchange requests will be recorded for the participant's protection.
18. Transfers between investment options are provided for under the Plan subject to limitations or restrictions (including redemption fees), if any, as imposed by the investment providers. I understand that any information regarding limitation or restrictions as they apply to the Plan may be obtained from the Plan Administrator.
19. If applicable, I understand that no changes will be effective until they are processed by NRS.

## Plan Today for Tomorrow's Costs

With rising medical costs, you may be looking for options to help manage out-of-pocket medical expenses.

One option is a Healthcare Flexible Spending Account (HCFSAs). HCFSAs allow you to set aside tax-free money for eligible medical costs like doctor visits, prescription drugs, prescription contact lenses, and dental procedures. Additionally, the entire amount you choose to contribute will be available to you at the beginning of your plan year.

### Savings Example

In the example to the right, Jane makes \$4,000 per month. Participating in an HCFSAs by contributing \$200 each month, she would save \$55.30 a month.

That's a savings of \$664 a year.

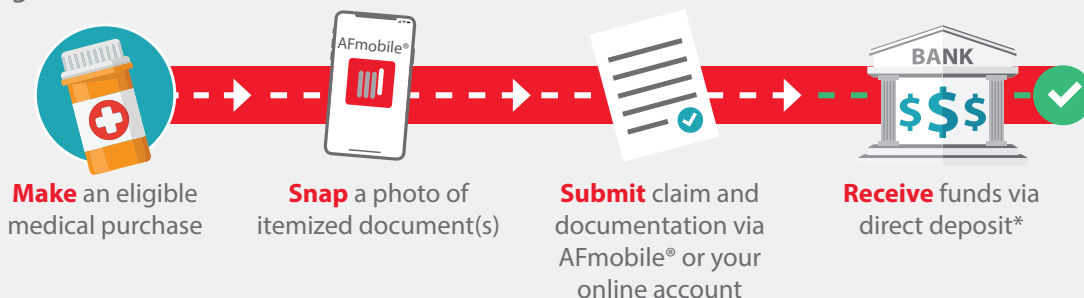

To calculate your possible savings, visit: [americanfidelity.com/s125-calculator](http://americanfidelity.com/s125-calculator)

Earnings & Taxes	Without FSA	With FSA
Gross Pay	\$4,000	\$4,000

### How It Works

#### Paying Out of Pocket

#### Paying with Your Benefits Debit Card\*\*

[americanfidelity.com/fileclaim](http://americanfidelity.com/fileclaim)

\* Funds deposit within 3-5 business days after claim approval.  
 \*\* If your employer has elected to provide a Benefits Debit Card, you may use this card to pay for eligible medical expenses or pay out of pocket and file a claim for reimbursement.

## Using Your Benefits Debit Card

A Benefits Debit Card allows you to pay for eligible medical expenses using the funds in your HCFA. The card may be used at locations that accept Mastercard® and have been identified as authorized medical merchants.

If you receive a documentation request letter, submit a picture of your itemized document or Explanation of Benefits (EOB) through your online account at [americanfidelity.com/submit-fsa](https://americanfidelity.com/submit-fsa) or through our mobile app, AFmobile®.

Learn more about your debit card at: [americanfidelity.com/debit-card](https://americanfidelity.com/debit-card)

### Documentation must include:

1. Provider Name
2. Recipient Name
3. Date of Service
4. Description of Service
5. Charges

## Internal Revenue Code (IRC) Requirements: What You Need to Know

IRC guidelines are strict when tax breaks are provided. As your plan provider, we are required to follow IRC rules.

### First, the money you set aside operates under a “use or lose” system.

That means you’ll want to use all of your funds before the next plan year, or you will lose whatever amount is left.

Ask if your employer’s plan includes a Runoff Period, Carryover Provision, or Grace Period.

- **Runoff Period**  
A period typically up to three months after the plan year ends when you can submit a claim for eligible expenses incurred during the previous plan year that have not already been submitted for reimbursement.
- **Carryover Provision**  
For 2026, this provision allows you to carry over up to \$680 of unused contributions from one plan year to the next.
- **Grace Period**  
An additional two and a half months following the end of the plan year, during which you can incur eligible expenses and submit claims to receive reimbursement.

### Second, the IRC requires proof for eligible expenses.

An itemized document or EOB must be submitted to prove eligibility for medical expenses when they aren’t verified when filing a claim or at the time of debit card swipe. Submitting documentation through AFmobile is the easiest way to validate a claim.
