

Open Enrollment Fair Schedule

May 2026

Open Enrollment is your opportunity to review and make changes to your benefits. San Joaquin County is transitioning to a calendar-year benefit cycle. As a result, this enrollment period will provide coverage from June 29 through December 31, 2026 and is part of a one-time transition. Employees will participate in a second Open Enrollment in October 2026 for the 2027 plan year. If no changes are made, your current elections will automatically continue. HR staff will be available at each fair to help employees self-enroll.
